

Iowa Prairie Network

2024 Iowa Prairie Conference

Student and Young Professional Grant Information

The Iowa Prairie Conference will gather some of the brightest minds in conservation for Iowa's oldest and most celebrated native prairie conference on **August 16-18 2024, in Milford, IA at the Lakeside Laboratory**. The three-day event will include sessions ranging from prairie protection, restoration, and stewardship to education and engagement, field trips to outstanding prairies, fens, and wetlands near the Iowa Great Lakes, and ample opportunities to connect and network with fellow prairie enthusiasts. For more information, visit the Iowa Prairie Network website.
